

January 31, 2022

Dear Heidelberg Community,

Stoner Health & Counseling Center will offer a COVID-19 booster clinic on campus for your convenience on **Tuesday, February 8, 2022, in Campus Center Room 120**. We will again work with the Seneca County General Health District to offer this clinic to the campus community.

Heidelberg University is strongly encouraging all students, faculty, and staff to schedule and receive the COVID-19 booster as soon as you are eligible.

- If you received your second Pfizer or Moderna vaccine more than 5 months ago, you are eligible for the booster.
- If you received your Johnson & Johnson single-dose vaccine more than 2 months ago, you are eligible for the booster.

During the clinic, all three booster types (Moderna, Pfizer and Johnson & Johnson) will be available.

If you are planning to get your booster on campus on February 8, you will need to make an advance appointment. Please use [this form](#) to indicate your preferred time and booster type.

You will need to bring the following documents with you to your appointment: 1) your photo ID, 2) your health insurance card, and 3) your shot record, so the Health Department can verify your booster eligibility. They will not be able to administer the booster without proof of primary series vaccine completion and dates.

If you are unable to attend the booster clinic, you can visit [gettheshot.coronavirus.ohio.gov](https://gettheshot.coronavirus.ohio.gov) to schedule your booster at a local facility.

Please remember to provide documentation of your booster to Human Resources (for employees) or the Health Center (for students). If you have already received your booster and have provided documentation to Heidelberg, you do not need to do

anything further.

We appreciate the Seneca County General Health District's assistance with this clinic. Questions can be directed to [Human Resources](#) or [Stoner Health & Counseling Center](#).

Sincerely,

**Chris Abrams**

*Dean of Student Affairs*

**Janelle Baldosser**

*Director of Stoner Health & Counseling Center*

**Leslie Erwin**

*Chief Human Resources Officer*
