

Spring Greetings, Alumni & Friends,

Having just concluded our Easter Break, it is time to move forward with our decision for Alumni Weekend 2021 and combined Landmark Reunions.

In January, we announced our plans to host a hybrid gathering for Alumni Weekend 2021, which would include a robust in-person component. As COVID-19 vaccination numbers continue to look encouraging, we still believe our decision is the correct one, so we are moving forward with our previously announced plan. For those alumni who will join us in person, you can be assured that Heidelberg continues to be fully committed to following all of Ohio's health and safety guidelines, including wearing masks and social distancing.

Whether you are making plans to return to campus for Alumni Weekend or you choose to join us virtually, we want you to know that we are planning a full schedule of traditional Alumni Weekend events for the weekend of June 18-20, 2021. If you do not feel comfortable participating in person or you are unable to travel, we will do our very best to provide an engaging virtual experience for you.

We are working diligently to provide a safe, healthy and enjoyable experience for all of our alumni participants. This year, that will include double the landmark reunions with classes who missed out on their celebrations when the pandemic caused us to postpone our 2020 celebration.

If things change dramatically between now and June, we will be certain to communicate our adjustments as quickly as possible.

We look forward to seeing everyone in June!

Sincerely,
