

March 8, 2021

I hope your senior year is going well!

Now is the perfect time to start checking your Heidelberg email on a daily basis. As summer gets closer, communication will begin to shift primarily to your Heidelberg email which will include housing updates, course scheduling, and campus news. Please note that certain items on the New Student Checklist may require you to be signed in to your Heidelberg email account.

You can connect the Heidelberg email account with your current email account and forward emails through your settings > accounts and imports > check mail from other accounts.

The weekly emails are archived on our website for you and your parents to view at any time, by [clicking here](#). Do not hesitate to contact any of the offices below or myself with questions you may have throughout this process.

In Berg Pride,

Brady Gibson
Assistant Director of Admission Operations
419-448-2095
