Greetings from the Owen Center for Teaching & Learning! We are excited about your future here at Heidelberg!

If you have not done so already, be sure to complete all of the items on checklist one of the New Student Checklist through your [OASIS account](#), including the "Pre-Orientation Academic Advising Appointment". After you complete this survey, an Owen Center advisor will contact you via email to schedule an advising session. We use this time to get to know more about you and your long-term goals so that we are better prepared to build your Fall semester schedule.

Our goal is to have your Fall schedule built by the time you attend Orientation. In order to have a schedule at Orientation, you must complete all placement assessments and have a session with an advisor at least one week prior to your attending Orientation. During your advising session at Orientation, you will review your schedule with an advisor and make adjustments, if necessary.

Big kudos to you if we have already had the pleasure of talking with you! We look forward to continuing the conversation with you at Orientation, throughout the summer, and during the academic year.

Do not hesitate to contact us if you have any questions throughout this process.
