**Ohio Educator Licensure Examination Pass Rates at Heidelberg University**

Reporting Period from Sept 1, 2018 to Aug 31, 2019  
(Data Source: USDOE Title II Report)

**Description of Data:**

Ohio educator licensure requirements include passage of all requisite licensure examinations at the state determined cut score. The reported results reflect Title II data, and therefore represent pass rate data solely for initial licenses. Further, because the data are gathered from the Title II reports, there is a one-year lag in accessing the data. Teacher licensure pass rate data are the only reported metric for which the data do not reflect the reporting year 2019-2020.

As of 2013, the Ohio Assessments for Educators replaced the Praxis subject assessments for initial licensure. Some Praxis II assessments are still being reported because recent program completers took those tests in or before 2013.
