Hello Student Princes, we're excited to start planning for your arrival this Fall!

Arrival is traditionally a two-part experience. All students start with **Check-In** at Campus Center, where you meet representatives from a variety of offices to make sure you have all your paperwork done and you're ready to start college.

- Commuter students are done once they finish Check-In!
- Residential students will finish Check-In at the Residence Life table, then move on to part two of arrival: **Move-In!**

Check-In for all new students is **Friday, August 12 at 9:00am-12:00pm**. Some groups will have early arrival due to campus commitments, such as rehearsals or practice. You will be notified by your group's early arrival coordinator (likely your coach or director) if you are expected to arrive early. The only University early arrival groups are listed below:

Football Team Check-In: August 9 at 1:00-3:00pm

Marching Band Check-In: August 9 at 1:00-3:00pm

Theatre Check-In: Friday, August 12 at 9:00-10:00am (Please note this is the same time as all New Students Check-In, but theatre students are asked to come during the earliest window).

If you have any questions about Check-In, please reach out to the Office of Admission at the contact information below.
