

April 4, 2022

Hello from the *Destination: Heidelberg Orientation* team! Have you started your New Student Checklist?

Checklist 1, through your [OASIS](#) student account, has the following important items that must be completed before you attend Orientation this summer. If you don't complete the academic pieces, you will not receive a Fall class schedule at Orientation.

### **Math Placement**

The ALEKS Placement Assessment determines which math class you are best suited to take. **Students must complete the assessment at least two weeks prior to their orientation date.** The ALEKS Placement Assessment covers Basic Math through Pre-calculus and averages 90 minutes to complete. Questions may be answered using the Math Placement FAQ or you can contact the Owen Center at 419.448.2301 or [owen-center@heidelberg.edu](mailto:owen-center@heidelberg.edu).

### **Pre-Orientation Advising Survey**

Your Fall Semester schedule will be built by a member of the First-Year Advising team. To help ensure we build a schedule that suits you, we need to verify your academic intentions, get an idea of your career aspirations, and get feedback on course preferences. For questions, contact the Owen Center at 419.448.2301 or [owen-center@heidelberg.edu](mailto:owen-center@heidelberg.edu).

### **Public Speaking Assessment**

The public speaking assessment will help advisors assess your comfort level with communication. For questions, contact Dr. Heaton at [rheaton@heidelberg.edu](mailto:rheaton@heidelberg.edu).

### **Register for Orientation!**

Orientation is a two-day event for incoming students to build relationships and gain the resources necessary for a successful transition to university life. Questions about Orientation can be directed to [orientation@heidelberg.edu](mailto:orientation@heidelberg.edu).

We can't wait to see you this summer at Orientation!

Jacqueline Sironen, and the Destination: Heidelberg Team
