

## Resident Educator 2 Year EPP Survey: Measure 1 Completer Effectiveness and Impact on P-12 learning and development

Starting in 2020, Heidelberg's EPP wanted to get additional feedback from our completers, two years after graduation. Our EPP sends the following survey directly to our graduates. We use this data in alignment and comparison to the identical survey provided to Heidelberg completers at the end of their student teaching to inform our curriculum and program. See annual reports and performance reports for additional data and comparison to state norms.
