It is time to schedule a meet and greet with the Financial Aid Office! This year, we are offering a series of Zoom conversations to help YOU navigate the waters of Financial Aid. During the months of May-August, all of our families will have the opportunity to sign up for a half-hour time slot to meet with one of our Financial Aid staff members.

During our time together, we will review your Financial Aid offer letter and what it means; any outstanding requirements you have in your Financial Aid Student Portal; Loan and payment options; and any special conditions you may need to discuss with us.

You are not alone in feeling confused. We want to help make this process as simple as possible. This is YOUR time and we are here for YOU.

Schedule your Financial Aid time slot through your Admissions portal or by [clicking here](#). We can't wait to see you on Zoom!

If none of these days/times work for you, or you would prefer to arrange an in-person conversation, please reach out to us at 419-448-2293 or financial-aid@heidelberg.edu.

Sincerely,

Cathy Belfiore
Director of Financial Aid
