

Heidelberg University Space Rental Policy & Rates

Heidelberg University campus space and facilities may be rented on an approved basis for use by groups, organizations, and individuals whose function and use does not conflict with University policies and standards.

Requests for space rental can be made by contacting the Events & Conferences Office by e-mail at events@heidelberg.edu or by calling that office at 419-448-2193.

Requests for athletic-related use of Frann's Fieldhouse or athletic fields should be made directly to Brody Naugle Bnaugle@heidelberg.edu or by calling 419-448-2072.

Fees established in 2025 are quoted below and at <https://www.heidelberg.edu/sites/default/files/2026-01/Facilities%20Use%20Fees%202025.pdf> are for space and general minimal set-up only. If additional services are requested or required, additional charges will be assessed.

Events requiring food service must purchase those items from Heidelberg's food service contractor, Parkhurst Dining.

Certain uses and events may require the presence of Security or Police personnel at additional cost to the sponsoring group.

Additional charges will be assessed for damages to property or equipment or if excessive clean-up is required following an event.

A deposit or partial payment may be required to secure a space. Total costs must be paid immediately following use.

Proof of liability insurance coverage naming Heidelberg as an additional insured may be required for certain events and uses.

Requests for use of space are not guaranteed. Priority use of space is awarded first to official Heidelberg functions and events. The University reserves the right to cancel the use of space or change the location of a scheduled event to a similar space if necessary.

Summer programs requesting overnight use of space, food service, and housing should be directed to the Events & Conferences Office at events@heidelberg.edu or by calling that office at 419-448-2391. Rates and fees will be packaged and quoted separately from this schedule.
