## Field and Clinical Experiences for Candidates at Heidelberg University

Reporting period from September 1, 2024 to August 31, 2025.

(Data Source: Heidelberg University)

### Description of Data:

Ohio requires that teacher candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements for these placements vary by unit and by program.

Teacher Preparation Programs	
Field/Clinical Experience Element	Requirements
Minimum number of field hours required of candidates in the preparation program prior to student teaching	120
Maximum number of field hours required of candidates in the preparation program prior to student teaching	120
Total number of weeks required of candidates in the student teaching experience	12
Percentage of teacher candidates who satisfactorily completed student teaching	100%

## Pre-Service Teacher Survey Results

Reporting period from September 1, 2024 to August 31, 2025.

### Description of Data:

To gather information on student satisfaction with the quality of preparation provided by their educator preparation programs, the Ohio Department of Higher Education administers a survey aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. All Ohio candidates receive an invitation to complete the survey during their professional internship (student teaching). The results of this survey are reflected here.
