Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that we must confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected by Heidelberg.

STEP 1: Family Information

Write the names of all family members in your household. List the name of the College if this family member will attend at least half time between July 1, 2026 and June 30, 2027 and will be enrolled in a degree or certification program.
