

Good afternoon,

Greetings from Berg Student Engagement!

We're home to Student Senate, Greek Life, Berg Events Council, student organizations, traditional events, and more. Just because you won't be on campus until your orientation doesn't mean you have to wait to connect with student life!

Heidelberg has over 70 student organizations to choose from, so it's easy to get involved. Check out the club listing [here](#)! Clubs on campus provide every student with a place where they can express their interests and make new friends. Getting involved allows you to develop skills as a leader and as a student as well. If you have questions about these clubs, feel free to email engagement@heidelberg.edu. Or while you are here for orientation, visit the Student Engagement staff.

The Berg Events Council is a fun-filled, student-run organization responsible for planning and promoting social events both on and off-campus. BEC sponsors several signature events throughout the year, most notably Labor Stay Weekend, Homecoming, WinterFest, and Siggy's Summer Send-Off. They also offer lots of weekly smaller events, like Craft Nights, Bingo, and Trivia!

Another big part of Heidelberg's thriving student life is Greek. Did you know that about 20% of undergraduate students at Heidelberg join a Greek society? Heidelberg has five male societies, four female societies, and one mixed-gender society. All societies are not national groups, but rather unique groups to Heidelberg. As opposed to national groups, ours have many benefits including lower dues, closer bonds, and solid alumni network bases. The Greek community at Heidelberg has been the gateway to life-long friendships, as well as leadership opportunities and scholastic support. Greek members can be found all over

campus in every student organization, athletic team, and honorary society, and continually provide thousands of hours and dollars toward the local and global community.

Want to learn more about all of these opportunities? Follow us on Instagram [@BergEngagement](#).

We are so excited for you to join the Heidelberg family and can't wait to see you at Orientation!

Ben Pugno Ph.D.
