

The countdown begins! You are about a month away from beginning your Heidelberg experience and all of us here at the 'Berg are gearing up for the academic year. You will learn about all of the information below at Orientation, but we wanted to make sure to get dates and times on your calendar! To help you prepare for arrival, I've provided a few tips and resources.

New students who are living on campus should arrive for Check-In and Move-In at Campus Center on Saturday, August 14 between 11:00am and 1:00pm. Check the [Arriving to Campus website](#) for a full move-in schedule. This site provides several details to help you prepare for arrival. Some students will participate in Move-In before August 14 due to mandatory practices or activities; your organization leader will communicate the date of your arrival as well as expectations for the arrival day. Questions should be directed to your group leader/coach.

On-Campus Check-In is a time set aside not only for new students but also for returning students so that "housekeeping items" are out of the way to ensure students can focus on academics. Your New Student Checklist lists the necessary items to help you transition smoothly into your academic activities. Questions pertaining to an item on the checklist should be directed to the contact listed.

A parent/guardian is not required to attend the On-Campus Check-In but we strongly encourage that Financial Aid and Health Records are finalized prior to arrival when a parent/guardian cannot attend. We understand there may be some anxiousness, so if you need any assistance, please feel comfortable in asking staff who are available at the On-Campus Check-In.
