

December 10, 2020

Dear Heidelberg Students,

If you have not already done so, tomorrow, December 11, 2020, is the deadline to verify or update your mailing address to receive your COVID-19 test kit. All students will be required to have a negative test within four days of returning to campus in January to begin the spring semester.

As a reminder, Heidelberg will mail a test kit to you, at no cost to you. This test is a simple saliva-based test, which you'll complete and return based on a date which we will provide to you. You should receive your results in 24-48 hours. We will be providing specific instructions in an email in the coming days, so be sure to watch for that as well as the arrival of your test kit.

Please verify or update your address following these steps:

1. Log in to your [OASIS](#) account.
2. Click the "Personal Information" tab at the top of the page.
3. Click "Change Addresses and Phones."
4. Fill in your current address. (If your new address is a temporary change, please note that in the comment/note section).

If your address is correct in OASIS, you don't need to do anything. If you need assistance or have questions, please email [student-affairs@heidelberg.edu](mailto:student-affairs@heidelberg.edu).

Sincerely,

Dr. Chris Abrams  
Dean of Student Affairs

Janelle Baldosser, CNP  
Director of Stoner Health & Counseling Center
