Greetings from the [Owen Center](#). We are excited about your future here at Heidelberg!

If you have not done so already, be sure to complete all of the items on Checklist One through your [OASIS account](#), including "Schedule an appointment with an Advisor". An Owen Center Advisor will then contact you via email to schedule a phone advising session and gather the initial information we will use to begin working on your fall schedule. Our goal is to have your major required coursework schedule by the time you attend orientation. **In order to have a schedule at Orientation, you must complete all placement assessments and have a session with an Advisor at least one week prior to your attending Orientation.**

During your advising session at Orientation, you will have a more in-depth conversation about general education requirements and other electives that can be added to your schedule.

Big kudos to you if we have already had the pleasure of talking with you! We look forward to continuing the conversation with you at Orientation, throughout the summer and during the academic year.

Do not hesitate to contact any of the offices below with questions you may have throughout this process.
