

August 10, 2020

We're excited for you to start your Heidelberg journey!

The next few weeks are packed with activities to help you settle into Heidelberg and prepare for the start of classes. First up is Check-In and Move-In. Please make sure all of your [OASIS](#) checklist items are complete before you arrive on campus to move through the line quickly. When you arrive for Check-In, **you will need one form of Identification**. There can be an Issued State ID/License, passport, birth certificate or social security card. Students that will be living in a residence hall can check out the suggested packing list [here](#). You should have received an email last week with more information about your specific Check-In Date and other information.

Welcome Week starts on August 21 with First Year Check-In and kicks off a week of events designed to bring you into the Heidelberg family. The full schedule of events will be available at Check-In.

For students opting into the [remote learning](#) option, you will receive an email from any offices that are still missing certain requirements before you start classes.

This is the last email in the weekly updates. If you have any questions from now until the start of classes, do not hesitate to reach out to any of the offices listed below.

In Berg Pride,

Brady Gibson
Assistant Director of Admission Operations
