New Student Checklist

Step 1: NetID activation in OASIS

All new students must activate their NetID. The NetID provides access to various accounts on campus, including your University email account, your campus home drive, access to Moodle (the University's learning management system) and secure access to the University's wireless network. Refer to the enclosed letter for your login information.

Activate your NetID

- ☐ Click on "Personal Information" in OASIS
- ☐ Click on "My NetID Information"
- ☐ Note your Heidelberg email address and check it regularly (at least once a day)

Step 2: Complete 3 Checklists

All new students must register for an orientation session and complete all relevant forms in OASIS. Use your NetID Information to access any of the items on the checklists.
