Dear Heidelberg Students,

As we wrap up what can only be called an unprecedented and historic semester, the Owen Center for Teaching and Learning and the Faculty Development Committee would like to get a sense of your educational experiences. As educators, we are really curious about how the strategies and practices Heidelberg Faculty used to teach in the COVID-19 pandemic impacted your learning. We hope to make this survey of instructional practices an annual practice.

Please take 15 minutes to [complete this form](#) and let us know how we did in the midst of this global crisis.

Thank you and have a great summer!

Sincerely,

Courtney DeMayo Pugno, Ph.D.
