

July 15, 2019

With the start of the semester approaching very soon, the Owen Center would like to give you an update on scheduling and ordering books.

The Academic Advisors are working hard to finalize your schedule for the Fall semester. All students are able to login to OASIS and view a full-time schedule now. Need to know how to view your schedule? Follow these simple instructions:

Login to [OASIS](#), click “Student”, click “Registration”, click “Student Detail Schedule”. Select Fall 2019 for the term, click “Submit”.

Keep in mind that there still may be adjustments to your schedule for a variety of reasons. Adjustments to schedules can be made through the first week of classes. If you have or are planning to retake the Math Placement Assessment, this will also affect your current schedule.

If you have not taken any of the placement exams, please do so as soon as possible. If you have submitted College Transcripts for transfer credit, or AP score reports, and would like to see how those courses were applied, you can view your audit in DegreeWorks by logging to [OASIS](#), click “Student” or “Student Services”, click DegreeWorks”.

While ordering books you want to keep these adjustments in mind. If you order books now, be sure not to take the books out of the shrink-wrapping. This will allow you to return a text that you no longer need.

Your advisor is available throughout the summer. Do not hesitate to reach out if you have any questions or concerns.

We also want to let you know that the Heidelberg bill will be posted to your account this week. You will receive an email with more information to your Heidelberg account once it is posted. Be aware that it will not include Federal and private loans yet.

We look forward to see you in August! This weekly email is archived for you and parents to view at any time, by [clicking here](#).
