Greetings from 'Berg Student Engagement!

The Office of Student Engagement is home to Greek Life, Orientation, HYPE, and student organizations. Heidelberg has almost 100 student organizations to choose from, so it's easy to get involved! During your Welcome Week, you'll have the opportunity to attend the Student Organization Fair, where you'll meet current student leaders who are passionate about getting involved.

Too excited to wait until Welcome Week? Check out the club listing [here!](#) Clubs on campus provide every student with a place that they can express their interests. Getting involved allows you to develop skills as a leader and a student, all while branching out and meeting new people.

A big part of Heidelberg's thriving student life is involved in Greek Life! Did you know that about 25% of undergraduate students at Heidelberg join a Greek society? Heidelberg has five fraternities, four sororities, and one co-ed society. The Greek community has been the gateway for leadership opportunities, scholastic support and long-standing fraternal relationships for students at Heidelberg. Greek members can be found all over campus in every student organization, athletic team and honorary society, and continually provide thousands of hours and dollars towards civic opportunities. All societies are local-affiliated groups, which have many benefits including lower dues, closer bonds and solid alumni network bases.

Get to know the people of Student Engagement by checking out [our Inside Heidelberg page!](#) We are so excited for you to join the Heidelberg family and can't wait to meet you in the fall!
