

August 23, 2020

Students,

I just wanted to share a quick video welcome and message about the upcoming year. We all want this year to be successful. That will take a little extra effort by all of us. But, I know we can and will make it happen!! Please take a few minutes to download and watch [the attached video](#) all about how to have a successful year.

I'll see you all around campus soon.

Chris Abrams,
Dean of Student Affairs
