

The Owen Center
for Academic & Career Support

Warm greetings from the First-Year Advisors! We are so excited to welcome you to The Berg!

In the near future we will be working closely together to build your Fall Schedule, help you transition to college, and successfully get you through your first year. College is when the responsibility for your education and academic success shifts to *you*, the student. But never fear! We advisors are here to help you navigate the curriculum, support services, and institutional processes to help you make informed decisions.

Additionally, the rest of the crew in the Owen Center for Academic & Career Support is ready to help you with supplemental instruction, tutoring, writing consultations, career exploration, résumé building, internships, job searching, and much more!

You will receive messages from us throughout the summer via email and text, so keep an eye out! We'll be sending you information, reminders, surveys, and more. Be sure to read them all and take appropriate action as necessary.

Speaking of surveys, we have one for you now! Complete the [No-Pressure Ice Breaker](#) so we can begin to learn about who you are, where your interests lie, and what goals you have. The more we know, the better we'll be able to assist you!

We look forward to working with you!

In Berg Pride,

Lindsey Baumgartner, Shavron Kelley, & Francesca Rodgers
