

The Owen Center
for Academic & Career Support

Hello again from the Berg!

If you have recently deposited, WELCOME TO HEIDELBERG! [Click here](#) to see all the messages we have sent out so far to ensure you don't miss anything important.

Accessibility and Accommodations:

Students with documented disabilities who wish to arrange accommodations for the school year are encouraged to begin working with the [Stoner Health, Counseling & Disabilities Center](#). Your first priority will be to obtain an updated copy of your IEP or 504 Plan from your high school and submit it to the office. It takes time to review, verify, and process accommodations, so plan accordingly and submit requested documents in a timely manner.

Disability services at the college-level are drastically different than in K-12 education. Students must self-identify as a person with a disability and are responsible for making appropriate arrangements with the school and their instructors. Even if you are considering not using accommodations in college, we encourage you to complete the process with the Stoner Center to ensure those accommodations are in place if you find you need them.

Housing & Dining:

Have you chosen a meal plan? If you have any questions about choosing a meal plan or when housing assignments will be confirmed, follow this link for [Residence Life](#) or contact their office at 419-448-2058 or reslife@heidelberg.edu.

Orientation:

If you still haven't registered for orientation, what are you waiting for!? Be sure to login to [Oasis](#) to get registered and to complete any remaining items on your checklist.
